THE FUTURE OF ANTI-AGING IS AT THE END OF THE NEEDLE

Our courses are specifically designed for licensed medical professionals at all levels.

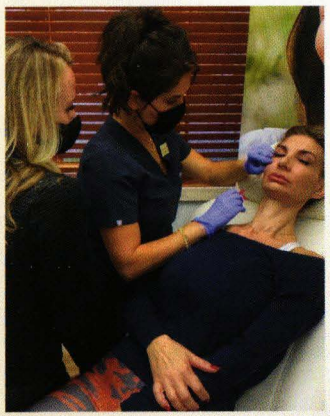

BEGINNER LEVEL: Training designed for providers with minimal experience in neurotoxin and dermal filler injections. Includes interactive and hands-on practicum.

EXPERIENCED LEVEL: Training designed for providers with at least 2 years experience in aesthetics who wish to advance their skills in neurotoxin, dermal fillers and cannula injection technique. Includes didactic and hands-on session.

SCULPTRA: Training for providers with at least 1 year experience who wish to take their practice to a new level by adding Sculptra Aesthetic to their practice. Includes didactic and hands-on session.

LEARN TO TURN YOUR SKILLS INTO A LUCRATIVE CAREER

When you become a Regency Aesthetic Institute student, you become part of our legacy. We take pride in teaching you innovative techniques in the field of aesthetics and do it in a way to fit your learning style. Whether in a small-group setting or one-on-one training with our master injector, our main goal is for you to become a confident, safe and proficient injector. We share the tools and knowledge for you to achieve your career goals.

No matter what you do as a career or in life, you should never stop learning. We at the REGENCY AESTHETIC INSTITUTE pride ourselves in not only improving the skills of our Injectors, but in also improving their life and lifestyle.

If you are a Doctor, Nurse Practitioner or a Registered Nurse with a passion for aesthetics and want to grow your practice and profits, then you should definitely talk with the team at the REGENCY AESTHETIC INSTITUTE.

MEET SANDRA

ALEKSANDRA BIELAWIEC
DNP, NP; Nurse Practitioner
& Aesthetic Master Injector

***Aleksandra Bielawiec, DNP, NP**, is a nurse practitioner and an aesthetic master injector at Regency Medical Spa & Hair Clinic in Barrington, Illinois. She supervised the creation of the curriculum for the **REGENCY AESTHETIC INSTITUTE**. Aleksandra graduated with honors from DePaul University with a master's degree in nursing and her nurse practitioner certification. Most recently Sandra, as her colleagues call her, received her nursing doctorate.*

With over two decades of experience, her areas of expertise include non-surgical facial rejuvenation, specializing in a variety of injection techniques as well as a holistic approach to facial assessment. Sandra is considered a Master by many in dermal filler injection, facial and body thread insertion, neurotoxin administration, wellness, and several types of laser treatments and skin care regimes for clients of all skin types.

Following highly specialized training, Sandra was nominated and awarded to the teaching faculty for Galderma, where she has held a prestigious status of an instructor and trainer for that major aesthetic company. She is also certified to teach and train for Sculptra Aesthetic. Sandra was recently awarded the title of "Ace Trainer" for Suneva to teach didactic and hands-on Bellafill and Instalift procedure. Her compassionate approach and professionalism offer all participants she is teaching and training an excellent way to enter, improve and/or master their skills in the ever expanding world of aesthetics.
